"GAME ACT"

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, pursuant to the provisions of section 69 of the "Game Act," chapter 135 of the "Revised Statutes of British Columbia, 1948," the following regulations, to be known as "Regulations Controlling the Use of Aircraft and Certain Motor-vehicles in Hunting and Fishing," be made:—

REGULATIONS CONTROLLING THE USE OF AIRCRAFT AND CERTAIN MOTOR-VEHICLES IN HUNTING AND FISHING.

1. No person shall hire, rent, or lease any aircraft for hunting or trapping purposes, or for purposes of angling, without first having obtained a permit therefor from the Game Commission, in addition to the necessary licence for hunting, trapping, or angling, as the case may be.

2. The hunting of game from an aircraft or any four-wheel drive motor-vehicle, or any motor-vehicle equipped with a caterpillar or track-tread, whether in motion or otherwise, is prohibited.

3. No person shall carry any firearm, fishing-tackle, or equipment, trap, or other device that can be used for hunting or trapping of game, or angling for trout, in or on any aircraft without first having obtained a permit therefor from the Game Commission, provided that this regulation shall not apply to a firearm being carried in an aircraft for emergency purposes, but such exception shall not apply unless each firearm so carried has been first sealed with a seal, and in a manner approved by, and under the supervision of, the Game Commission or its authorized agent.

4. No person shall hunt any predatory animal from an aircraft without first having obtained a permit therefor from the Game Commission.

5. No person shall make a flight in any aircraft, except an aircraft of a commercial air line on a regularly scheduled flight, on any hunting, trapping, or fishing expedition without first reporting on a form prescribed by the Game Commission. The Game Commission, upon receipt of said report, may cause to be issued a permit to proceed with the flight. The operator of such aircraft, upon return from the flight, must surrender the permit, pay any fees due on game taken, and submit any further report which may be required or requested by the Game Commission.

6. No person shall use any aircraft in locating, spotting, sighting, or searching for game for the purpose of directing or assisting any other person to destroy or capture the game.

7. No person shall use any aircraft or four-wheel drive motor-vehicle, or any motor-vehicle equipped with a caterpillar or track-tread, for the purpose of distributing bait of any kind for the subsequent capture or destruction of any game.

8. The Game Commission may define any area of land in the Province, to be termed "Wild-life Wilderness Area," for the purpose of protecting game and fish therein, and when so defined no person without a permit from the Game Commission shall land any aircraft therein for the purpose of enabling himself or any of the passengers in the aircraft to hunt or fish in the area so defined.

9. Where any person commits an offence against, or violates any provisions of, these regulations while in an aircraft or four-wheel drive motor-vehicle, or any motor-vehicle equipped with a caterpillar or track-tread, and the actual offender has not been ascertained and prosecuted therefor, the person operating the aircraft or motor-vehicle at the time of the offence shall be held responsible for the offence or violation, and may be prosecuted therefor as the offender; but nothing in this regulation shall relieve the actual offender from liability for the offence or violation.

10. Any person who, when requested so to do by any Game Warden or constable, refuses to allow himself or the aircraft under his charge to be searched shall be guilty of an offence against these regulations.
